Sir:

The Notice of Allowability dated March 1, 2005 does not acknowledge receipt of the Certified Copy of the Priority Document for the above-identified application. Applicant requests a Supplemental Notice of Allowability be issued indicating receipt of the Certified Copy of the Priority Document.

Applicant respectfully submits that priority of Application of Serial No. 48903/1999 filed on November 5, 1999 in the Republic of Korea was claimed under 35 U.S.C. §119 in above-identified application, and the Certified Priority Document was filed in the above-identified application on November 2, 2000. A copy of the stamped-in postcard acknowledging receipt of the Certified Priority Document by the U.S. Patent and Trademark Office is enclosed. In addition, the USPTO Patent Application Information Retrieval shows the certified priority document was received. Accordingly, the Notice of Allowability should have indicated the Certified Priority Document was received.

Thus, Applicant believes that no further action is required to obtain priority to Korean Patent Application No. 48903/1999 for the above-identified application. Applicant requests a Supplemental Notice of Allowability be issued indicating receipt of the Certified Copy of the Priority Document. The Patent Office is requested to contact Applicant's undersigned attorney if this is incorrect.

Respectfully submitted,
